

Plans and pricing

One product. Unlimited people. Security by default.
Price scales with the number of live transactions.

Plans, priced by active programs

PLAN	ACTIVE PROGRAMS	PRICE PER YEAR	SUPPORT
Deal	1	\$35,000	Standard
Team	up to 3	\$65,000	Priority
Portfolio	up to 6	\$90,000	Priority
Enterprise	up to 10	from \$140,000	named contact
PE portfolio licence	up to 10 across the portfolio	from \$175,000	named contact
Archive	completed programs only, read-only	\$6,000	Standard

Deal, 24 months: \$65,000 for 24 months, 1 active program, Standard support.

Every plan includes the complete platform, unlimited users and unlimited outside guests. Completed programs don't count towards your plan. A program can always be added mid-year: \$14,000 a year each, pro-rated. No lock, no delay.

Included in every plan

See the deal

control tower, executive view with Present mode, timeline, portfolio

Plan and execute

tasks and critical path, workstreams, playbooks, Day 1 readiness board, cutover, hypercare, diligence findings, Excel import

Scope and obligations

perimeter, systems and decommissioning, contract novation, obligations, conditions precedent, consents, escalations

Money

TSA register and exit costs, delay scenarios, synergies, integration, stranded and transaction costs

Evidence

decision record, watermarked PDF exports with export ID and digest, archive-grade PDF/A

People

unlimited users, unlimited outside guests limited to their program

Services

SERVICE	WHAT IT COVERS	PRICE
Program onboarding	Program, countries, playbook and steering set up with your deal lead	\$6,000 per program
Data import	Your existing Excel or CSV trackers mapped and imported	from \$3,000 per program
Additional training	Remote workshop, up to 15 people, 3 hours	\$3,000 per session

The first program's onboarding is included in year one on every plan, and every program's on Enterprise and PE plans.

Two ways to start

RECOMMENDED

90-day pilot · \$10,500

One live program on the complete platform, onboarding included. Credited in full to a first-year plan signed within 30 days of the pilot.

NOT READY TO MOVE A LIVE DEAL?

Deal Diagnostic · \$7,000

Your team loads one deal's TSAs, obligations and Day 1 plan with our templates. We review it with you in a 90-minute readout, and you keep the diagnostic report. Credited within 60 days.

Annual subscription, invoiced in advance. Support: Standard (Deal, Archive), Priority (Team, Portfolio), named contact (Enterprise, PE). Data processing agreement on every plan; full export any time; no exit fees. Prices exclude VAT and other applicable taxes (such as US sales tax). List prices are held for 24 months for first-year customers.
